Domaine de Carmignan Blanc

Domaine de Carmignan covers 30 hectares lying between Chusclan and Pont Saint Esprit, on the right bank of the River Rhône. Benoit and Frédéric Lavau acquired it in 2011, having fallen in love with the great diversity of its grape varieties and the particular character and elegance of the wines produced in this land of the Gard region.

«White-eshed fruit, white owers with accents of almonds and citrus on the nose ...

... Deliciously fruity and slightly exotic character on the palate; lovely sucrosity with a touch of fruit drops.»
