La Decelle

Domaine de la Decelle is located in the heart of the Enclave des Papes in Valréas. Due to its latitude and altitude, it is subject to unique climatic conditions that are conducive to the creation of structured, complex wines of incredible freshness. Convinced of the potential of the wine, Benoit and Frederic Lavau acquired the 80 ha domaine in 2010.

“Nose of white fleshed fruits and white flowers, with an exotic touch of Mango.

Fulbodied mouth, plenty of fruits and slightly peppery. Nice and long finish.”
